

## My Ideal Woman

Hello. I want to tell you about my ideal woman. I think everyone has their own ideal man or woman. I like Angelina Jolie very much, so she is my ideal woman. Do you know her? I think almost everyone knows her.

She is a very famous Hollywood actress. She was born on June 4, 1974; she is 34 years old now. She started working when she was 14 years old. She was awarded the Academy Award in 1999. Her most important works are *Tomb Raider 1 & 2*, *Mr. and Mrs. Smith*, and so on. I watched *Changeling* in the movie theater in March. It was a great movie, so I want you to watch it on DVD.

I will tell you the reason why she is my ideal woman. She is beautiful and seductive. Of course that is one reason. But I like her activity. She is a famous actress, but she also joins charities. She is taking the part of UNHCR (the Office of the United Nations High Commissioner for Refugees). And she and her partner, Brad Pitt, contributed to Doctors Without Borders and other organizations. She has also adopted three displaced children. That is the biggest reason.

I respect her and I support her activity for charity. If I could, I'd like to help poor people. She is a good actress and a good mother. I think I also have to do my best to find my ideal woman like Angelina Jolie. Thank you for listening.
